### **About SolarEdge**

SolarEdge provides an intelligent inverter solution that has changed the way power is harvested and managed in solar photovoltaic systems. The SolarEdge DC optimized inverter system maximizes power generation at the individual PV module-level while lowering the cost of energy produced by the solar PV system. Supporting increased PV proliferation, the SolarEdge system consists of power optimizers, inverters, home energy management, storage solutions, and a cloud-based monitoring platform. SolarEdge's solutions address a broad range of solar market segments, from residential solar installations to commercial and small utility-scale solar installations.
