

## SolarEdge Announces Departure of CFO

March 10, 2026

*Asaf Alperovitz to Depart the Company in June; Company Re-affirms Its Financial Guidance for the First Quarter*

MILPITAS, Calif. & HERZLIYA, Israel--(BUSINESS WIRE)--Mar. 10, 2026-- [SolarEdge Technologies](#), Inc. ("SolarEdge" or the "Company") (Nasdaq: SEDG), a global leader in smart energy technology, announced today that Chief Financial Officer Asaf Alperovitz has notified the Board of Directors of his decision to step down to pursue a chief financial officer role at a public company outside of the industry.

The Board of Directors is initiating a process to identify a replacement CFO.

Mr. Alperovitz will continue to serve as the Company's Chief Financial Officer through June 9, 2026, to support its ongoing operations and the leadership transition.

**Shuki Nir, CEO of SolarEdge:** "On behalf of our executive team and the Board of Directors, we thank Asaf for his leadership and contributions in reinforcing SolarEdge's financial foundation and advancing the company towards sustained profitability in 2026 and wish him continued success. We remain focused on moving toward profitable growth and believe 2026 will be a transformational year for SolarEdge."

**Asaf Alperovitz, CFO of SolarEdge:** "I want to thank my team, the Board and everyone at SolarEdge. I leave holding SolarEdge in the highest regard. I am enormously proud of the strides we've made and equally excited about its future opportunities."

Mr. Alperovitz's departure is not related to any financial or accounting issue or any disagreement over any matter relating to the Company's operations, policies, or practices.

The Company is re-affirming its financial guidance for the first quarter, as provided on February 18, 2026.

### About SolarEdge

SolarEdge is a global leader in smart energy technology. By leveraging world-class engineering capabilities and with a relentless focus on innovation, SolarEdge creates smart energy solutions that power our lives and drive future progress. SolarEdge developed an intelligent inverter solution that changed the way power is harvested and managed in photovoltaic (PV) systems. The SolarEdge DC optimized inverter seeks to maximize power generation while lowering the cost of energy produced by the PV system. Continuing to advance smart energy, SolarEdge addresses a broad range of energy market segments through its PV, storage, EV charging, batteries, and grid services solutions.
