November 20, 2017

Dear Colleagues and Shareholders,

I want to share with you the news that I have been diagnosed with colon cancer.

The good news is that the condition is treatable.

My treatment plan is still being assessed but we expect that the medical therapy I will be undergoing will allow me to travel and remain working. This is yet another hurdle for me to overcome and I am confident that with everyone's support and good wishes, I will do just that.

Our board has been updated and is very supportive.

Together we have built an amazing company in the renewable energy market. We have an exceptionally talented and dedicated management team and employee base and I am confident that we will continue on our path of growth and profitability based on technological innovation and operational excellence. Thanks for your continued support.

Onward,

Guy
